Endodontics
Newsletter*
- *Toys For Tots
Campaign*

Hello from all of us at Endo Inc. Root Canal Specialists. We hope you enjoy this latest edition of our Endodontic Newsletter. It includes articles pertaining to the Effectiveness of the Decoronation Technique, Ketorolac Buccal Infiltration, and NiTi Cyclic Fatigue.

We would also like to thank all of those who supported our Toys for Tots 2016 campaign. The Toys For Tots Foundation helps less fortunate children throughout the United States experience the joy of the holidays, plays an active role in the development of one of our nation's most valuable resources – our children, and contributes to better communities in the future.

Your donations mean so much to the children of the north shore who receive them. On behalf of the Toys For Tots foundation and all of us here at Endo Inc. Root Canal Specialists, we thank you for your generosity.

We wish you and your families a joyful, healthy holiday season and a peaceful New Year.

Don't forget, our newsletters can be found online under Referring Doctors, and check us out on Facebook for the latest happenings at Endo Inc. Root Canal Specialists North Shore!
