Happy spring from all of us at Endo Inc. Root Canal Specialists! We hope you enjoy this latest edition of our Endodontic Newsletter. It includes articles pertaining to YouTube and Patient Education, Radiographs and Periapical Lesions, Antibacterial Effects of Sonic and Ultrasonic Irrigation, and Self-adhesive Resin Cement Strength.

As you may already know, May 7-13th is the eleventh annual celebration of Root Canal Awareness Week. Follow us on Facebook to see interesting videos on how root canal therapy has changed and improved over the years. We have posted some interesting facts for your patients about root canals and dispel the myths surrounding this dental treatment. Feel free to share them with your patients. You and your patients can also visit our website to learn more.

Don't forget, our newsletters can be found online at www.endoincrootcanal.com under Referring Doctors, and check us out on Facebook for the latest happenings at Endo Inc. Root Canal Specialists North Shore!
