The doctors at Endo Inc. Root Canal Specialists are dedicated to saving teeth by providing exceptional root canal and endodontic services with unequaled, individualized patient-focused care, and a gentle touch. Board-certified specialists trained to treat oral pain in a way that eases patients' fears; they incorporate advanced techniques and specialized technology that allow for precise diagnosis, effective treatment, and a virtually pain-free experience. Their enhanced training and use of the latest technology and best practices in clinical care deliver impressive success rates. They are honored to be awarded Top Dentists for their sixth consecutive year, and proud of the trust earned from their patients and general dentists. They are delighted to serve the North Shore through their Salem, Danvers, and newly opened Newburyport offices.
